

Doris Lee Moats

September 15, 1926 - March 7, 2018

Beloved Doris Lee Moats, passed away from Alzheimer's in Visalia, California, on March 7. She was 91 years old. She was born in Stillwater, Oklahoma on Sept. 15, 1926. She and her late husband, George Edwin Moats, married young and they stayed happily married for 72 years. They had three children; Edwina, George and Nita.

Her #1 favorite saying was, "If you can't say something sweet, don't say anything at all!" She had a fresh, almost childlike or puppy-like way of meeting people and enjoying everyone she encountered, and only saw the rosy side of any situation.

Doris Lee was so full of energy that she easily handled working full-time, helped with church activities, and raised three kids with her husband. For 20 years she was an army wife and was constantly uprooting the family to move to other places such as Panama, Alaska, Texas, California, Maryland and Oklahoma.

Doris Lee was passionate about flying; first getting her private pilot's license, her VFR and IFR rating, and finally her commercial license. For a few years she worked as the relief co-pilot and matron for Security Air Transport flying prisoners.

She lived her life in exquisite beauty with her positive and enthusiastic way of approaching everything that she encountered. She was graceful, feminine, always smiling and unable to hold a grudge against anyone. She loved everything about life. She endeavored to be the perfect wife and mother, and came very close to that mark. Doris Lee was loved by all who knew her and will truly be missed.

The grave side service will be on Wednesday, March 28th at 1:00. The cemetery is at 1300 W. Goshen Ave. in Visalia. Her urn of ashes will be placed beside her late husband's urn who died a year and a half earlier.
