“ Pam and I will miss Emie very much until we see her and uncle Bill in Heaven when the Lord Jesus returns. She was so good to us when we lived in California. We have so many fond memories of those years. One of my favorite is Aunt Emie going with me to the first apartment we rented on Dent avenue and helping me get it cleaned up right before I flew back to Indiana to marry Pam. Ok, it was actually more her idea than mine. She wanted to make sure it was warm and inviting for Pam when she made it to San Jose! That's Emie in one brief story. A heart if gold. I am so excited that on this very day she is also with my Mom in Heaven laughing, sipping a glass of wine and being best friend sisters like they did so many times here on this side of eternity. Thanks be to God for the many memories we have of her that we can fondly remember and share until we see her again in the Kingdom of God. <Greg and Pam Shoup>
