" *My little Lena,*
I sure do miss you. This picture was taken a few years ago. I loved coming to see you every time I went to visit Nana Jackie. I loved singing to you in your living room for hours and talking to you about my college plans and my life. I loved when you cooked for me and I loved getting to drive your Mercedes! I remember you would have me take you to run your errands when I was in town. June was the last time I saw you and I remember you being so excited when you opened your front door and it was me! Your face always glowed and you were always smiling. You were so kind and over the last few years we had gotten close! You are in a better place now and God has got you! I hope you are still listening when I sing occasionally and I hope heaven is beyond amazing! I love you aunt Lena!
Love always,
Alexis 😘*
