“ *Where to begin . I remember our last talk . Sitting on your bed skolding veronica an me about spending our money at the casino . I remember you protecting me from my dad telling him you would kick his butt. everyone thought I was yours when we'd go fishing, to the snow or just in the country playing war ... hurts my heart I didn't get to see you before you left us. I love you tia you remind me so much of my beautiful grandma Sara. Free of pain till we see each other again rest in peace with my aunt linda,aunt Pauline, my cousin Freddy, my grandma Sara an grampa paul how could I forget my aunt blackie. I still hear you saying "the princess" with a big sarcastic smile . Love all of you angels.*
