

Richard "Dick" Wright

September 18, 1976 - May 13, 2018

Wright, Richard (9/18/76-05/13/18)

On Sunday May 13th, 2018 Richard "Dick" Wright, Husband, Father, Son, Brother and life of the party, passed away. He is survived by his best friend and wife Theresa Wright, his oldest son Mason "Jay" Wright, his daughter Eva Wright, his youngest son Deacon Wright, brother Larry Wright, sister Nova Wright, brother Richard "Scooter" Wells, father Richard Wells and many other friends and family members. He will join his mother Catherine Wright beyond the clouds.

Richard was an avid lover of animals, music, motorcycles, and his wife and kids. He would never hesitate to rescue a stray or spend an evening playing just the right music for the mood. He could never say enough about how proud he was of his three children and their incredible talents.

Richard had no love or passion stronger than that for his "good hearted woman", partner in crime, and best friend, Theresa. She is the Bonnie to his Clyde, and they took each adventure life threw their way together as one. To know Richard was to know his love for her. He was always the first to admit he was better because she was his.

Richard was a biker through and through. He loved to ride with Theresa and his band of brothers/sisters from the VCA. There wasn't an adventure they wouldn't take together and they found a new passion for life when he met the VCA family. They, in turn, have never left him or his family since.

There aren't enough words to describe a "simple man" like Richard. He will be missed in more ways than he would have ever imagined. His life, legacy and love of sarcasm will live on in his wife, children, family and friends.

We cheer you brother with a cold one in hand. Godspeed as you ride the highway to heaven. We love you. MLH&R

“ The world lost a great man. Richard had that rare combination of compassion for animals AND people. He served the animal community of Visalia for many years and touched the lives of so many. I was honored to work with him at Valley Oak SPCA and Visalia Animal Care Center. I appreciated his deep respect for all life. He always had the animal's best interests in his heart.
Richard got me involved with the TV show, Hoarders that shot an episode in Porterville. What an experience! It was then that I was able to see how well Richard was able to work with people. He was so patient and made sure the animals were all taken care of.
I live on Ave 300 near the VCA clubhouse. Every time I heard a bunch of motorcycles heading out early on a Saturday I would smile to myself and think, "Richard's off on an adventure!" Now Richard, every time I hear your VCA folks head out, I'll smile and think of you!
