“ *Tiana’s dearest family-
Today we lay Tiana to rest and celebrate her life. Deepest condolences sent to you all. Tiana was a special soul that had so much to offer. She was life of the party, so full of life, love, and laughter.
I had the pleasure of being of friend of hers for a long time. We shared our senior trip together, and many memories following high school. We lost touch in recent years but I thought about her often.
Tiana, my “flower,”
I’m going to miss you dearly. I’ll never forget our lunch dates, our chats about “boys,” and our nights that we painted the town together. Even though we lost touch, I hope you know how loved you were by so many. RIP my friend!
Love,

“ Dearest Lopez Family,

I had the pleasure of spending most of my youth with Tiana. She had a beautiful heart, contagious laugh, and unwavering loyalty. I experienced so much with her and will never forget our firsts, our laughs, our friendship. As we got older, our lives drifted apart; but it's hard to forget someone who gave you so much to remember.

To her beautiful little girl, Preslie, your mother will never be replaced, her love for you never lost, hold on to the memories you shared, cherish them forever, and know that you are loved. Let your memories warm your soul, lean on them and let them lead you through your life ahead.

To Rudy, Michelle, and David, my heart hurts for you and I am so sorry for the loss of your beautiful daughter and sister. I am sorry and I ask for peace for your family.

Everyone who knew her, will miss her. RIP Kiki.

Love,

“ ❤️ *My Forever Friend,*

We were two pea's in a pod since we were little girls. We were always running around up to something, sharing laughs, and sharing our dreams together. I have so many memories with you that bring me so much joy. I was lucky enough to share so much of my life with you right by my side. I will never forget our precious memories and hope you know that I love you. Always. I will forever miss you Tiana and keep you close in my heart. Thank you for being you and for being my sidekick and friend. ❤️

“ *To Lopez family, I am so sorry to hear of your loss. Tiana was such a beautiful young lady. I remember meeting her when we became neighbors. She was friends with my Daughter and I gave her the nickname of Punky, after Punky Brewster 😊 because she was outside playing with the boys, throwing dirt rocks at each other, and she gave me the nickname of Martha, after Martha Stewart 😊 because of how my house was decorated inside 😊. The last time I saw her was at TRMC when I went to get blood work drawn. I said “Punky” and she laughed and said “Martha” 😊. Again I am so sorry for your loss she was such a beautiful young lady. I pray for comfort and strength thru this sad time for your family and rest for Tiana ❤️. Patty*
